Dear former Moon Society/Artemis Society International Member,

The Mid-Atlantic chapter of the Moon Society, representing members in D.C., Maryland, Virginia, and surrounding states, wants you back! In July 2000 the newly-formed Moon Society assumed the membership functions of Artemis Society International (ASI) and all ASI chapters were moved into the Moon Society organization. Last month the Mid-Atlantic chapter staffed an exhibit at the Rockville Science Day, which was attended by 1600 people. In the past, the chapter has held periodic meetings over dinner and organized other chapter activities.

Your Moon Society/Artemis Society International membership expired on \_\_\_\_\_. We hope that you will renew your membership and that you will join the Mid-Atlantic chapter of the Moon Society. A membership-based organization like the Moon Society cannot grow and thrive without an active and growing membership. Membership dues pay for publication of the Moon Miners' Manifesto newsletter, pay for expenses in a variety of society operations and contribute to projects undertaken by the society. In exchange for membership dues, members receive a long list of membership benefits:

- Subscriptions to the Moon Miners' Manifesto and Moon Miners' Review, which include the Moon Society's monthly newsletter
- The Moon Society bumper sticker
- Discounts on Moon Society conferences
- Access to members-only mailing lists and members-only areas of the Moon Society and Artemis Project web sites
- Special offers available only to members of the Moon Society
- Additional benefits down the road for having an early membership number
- The opportunity to meet and work with others in promoting humanity's return to the moon
- The satisfaction of knowing you're making it happen!

In addition to the benefits of being a member in the Moon Society, being a member of the local chapter makes it possible to participate in events organized by the local chapter. It also gives you an opportunity to meet in person and work with other people that share common interests and a similar dream.

You can renew your Moon Society membership online at <http://www.moonsociety.org/register> or by filling out and mailing the enclosed form. After renewing, join the Mid-Atlantic chapter by going to <http://www.moonsociety.org/teams>. If you have any questions about the Moon Society or the Mid-Atlantic Chapter, feel free to contact me at any time at [severy@moonsociety.org](mailto:severy@moonsociety.org) or (301) 682-8885.

Sincerely,

Randall Severy  
Moon Society Mid-Atlantic Chapter
