

## MOON

-- "Return to the Moon: Why & How" (Policy Committee, January 29, 2001) [moon-why.101]

## MARS

-- "Humans to Mars: Why & How" (Policy Committee, February 4, 2001) [mars-why.102]  
-- "NASA's Mars Exploration Plan" (NSS Press Release November 20, 2000) [marsexpl.011]  
-- "Mars 2010" (NSS Executive Committee Resolution, November 2000) [Mars2010.812] December 1998]  
-- "In Situ Resources" (Resolution, Executive Committee, March 1999) [marsisru.903]  
-- Mars Policy (Board Statement, September 1996) [marspoli.609]

## ASTERIODS

-- "Asteroid Resource Packet" (April 1998) [asterpak.804]  
-- "Backgrounder and Talking Points" (NSS Information Release, February 6, 1997) [asteroid.702]

## NUCLEAR POWER IN SPACE

-- "Cassini" (NSS Policy Committee, Position Statement, September 1997) [cassini.709]  
-- "Cassini Talking Points " (News Advisory memo from NSS HQ, September 15, 1997) [casstalk.709]:  
-- "Responding to Concerns That Might Be Raised / NUCLEAR RTGs & CASSINI MISSION TO SATURN / What you Should Know and What You Can Do" -- Tools for Cassini Response ("Inside NSS," September 1997) [cassresp.709]  
"Cassini" (Statement by Executive Director and NSS President Charlie Walker, September 8, 1997) [cassstat.709]

## MISCELLANEOUS

-- "U.S. Space Transportation Policy" (February 11, 2003) [transpor.302]  
-- "Satellite regulation" (Memo from NSS Executive Director to members of Policy Committee, August 7, 2001) [satcntrl.108]  
-- "Space Tourism" (Statement, June 20, 2001) [tourism.106]  
-- "1% for the Future" (Call for NSS chapter action, April 2000) [1percent.004]  
-- "Space Solar Power" (Policy Committee memo from Lawrence Roberts, Chair, June 10, 1999) [spsolarp.906]  
-- "Space Solar Power" (Spacecause Legislative Alert, June 12, 1998) [sspalert.806]  
-- "Transhab" (NSS Policy Release, June 10, 1999) [transhab.906]  
-- "Mir/Cargo Craft Collision" (Executive Director Statement, June 30, 1997) [mir-coll.707]

## NSS PAPERS ON "WHY SPACE"

-- "Why Explore Space" (Position Paper by Brian Chase, NSS Executive Director (February 13, 2003) [why-bc.302]  
-- "Why We Do -- and Must -- Go Into Space" (Essay by Jeffrey G. Liss, NSS Senior Vice President, February 8, 2003) [why-jgl.302]  
-- "Why Send Humans to Space? Columbia Aftermath" (Essay by Gregory H. Allison, NSS Executive Vice President, February 16, 2003) [why-bc.302]  
-- "Why Send People Instead of Just Robots into Space?" (Essay by Richard Godwin, NSS Director. February 2003) [why-rg.302]

NOT LOCATED (possibly obsolete, duplicative, or superseded):

--"Future-X: Modernizing Space Transportation" (Backgrounder, June 1998)  
-- "X-33 Demonstrator" (Backgrounder, June 1998)  
-- "Cassini Mission: Event Calendar and Reactions" (Activist Toolkit: September 12, 1997)
